ALB USA INC brings you the most exquisite and unique cheese!

Coming from Gjirokastra located in the south of Albania, this region has been the founder of the cheese tradition in the country for centuries.

The sweet taste of pasture and the heritage from ancestors define the uniqueness of the cheese.

Produced 100% from the milk collected every morning from the farms of the region.

**JUST TAKE YOUR FAVORITE RECIPE OR GRAB A GLASS OF WINE
AND PAIR IT WITH OUR EXQUISITE SELECTION OF CHEESE!**

Olive oil & Olives

We offer a range of the best high-quality olive oil, coming from the Berati region. Olives are hand-picked early- harvested and cold-pressed.

Its unique characteristics of olive scent, slightly higher viscosity & texture, rich & strong aroma, and zesty flavor stands out to offer a premium product.

The extra virgin olive oil is a “Certified Organic” product that has been the first-prize recipient in many national and international events.

Spices

Spices and herbs have been in use for centuries both for culinary and medicinal purposes. Spices not only enhance the flavor, aroma, and color of food and beverages, but they can also protect from acute and chronic diseases.

ALB Flavor spices are collected from the wild mountains of Albania. The proximity to the Mediterranean Sea and the ideal climatic conditions allows the cultivation of about 250 aromatic and medical plants. Albania is among the leading producers and exporter of herbs in the world.
